

A very belated THANK YOU to all of those Who worked and helped with the Buffalo Trail Fire on Jess Garfields and Colsons, and kept it from becoming a fire out of control. We don't know everyone but did see trucks from Ryegate, Shawmut, Judith Gap, Harlowton, Park County, Columbus, Absorakee, Red Lodge, tractors, plows, and the DNRC people. Also friends and friends-of-friends, that came to lend a hand and helped to get horses out, and the friends that helped to get cattle out. When the sandwiches ran out along came 50 hamburgers from the Corner Bar (they fired up the grill special for this, and said that it was their donation.)

Again—deepest thanks.

*Could you post this on your web site. Sheriff Fisher said you had a site where this could be placed where all related dept.'s could see it. Thank you!!
